

# **WELCOME TO THE 2010 PUTNAM COUNTY FAIR 4-H LIVESTOCK AUCTION**

**4-H Youth  
Development**

*Head  
Heart  
Hands  
Health*

Many thanks to Rick Pearson, who year after year volunteers his time and talent to serve as our auctioneer.

Thanks to all livestock volunteers and parents who make this a safe, positive and memorable learning experience for Putnam County 4-H members.

If you have any questions on the bidding process, please see someone at the hospitality booth. We will be happy to assist you.

\*\*\* Animals are auctioned by the pound. \*\*\*

For example: A bid of \$1.00 on a 100 lb. lamb actually means you are bidding and will be responsible for paying \$100.00.

## **Important sale procedures:**

For your convenience, the Putnam County Fair Livestock Committee will make arrangements to bid on and purchase animals for you in the event you are unable to attend the auction. We will transport the animal you purchase to local meat processors or to local livestock markets at your request. The 4-H participants are paid shortly after the sale; therefore, payment is requested the night of the sale unless prior arrangements have been made. All invoices past 30 days from sale date will be assessed a 1 ½% late fee per month.

Every saleable animal will sell one time.

Animals offered for resale will be sold on paper at the end of the sale on a rotational basis in order as they appear on the sale sheets. If the animal for resale doesn't sell, the animal will be sent to market and the proceeds will go into the fair general fund.

Each 4-H animal will only be re-sold one time.

**Thank you for supporting youth development in Putnam County!**
